

## 2010 WALKERS

We are told there were 10 of you; however, only 8 individuals circled "1-mile walk" on their registration forms. The amount of one large check we received would indicate the other two are from a Rutgers group and we recorded them in error as no-show runners. Please confess if that is the case. Walkers are not scored competitively, but you deserve to be recognized!

Marilou Ehrler	Titusville, NJ	F51
Karen O'Hagan	Yardville, NJ	F43
Anthony Petrizzo	Burlington, NJ	M58
Jennifer Quinlan	Titusville, NJ	F43
John Quinlan	Titusville, NJ	M14
Kelly Quinlan	Titusville, NJ	F10
Karen Wrublevski	Pittstown, NJ	F58
Joyce Zboyan	Hamilton, NJ	F79

If anyone knows who else walked, please let us know. Next year we will tear off the bottom portions of your tags to avoid this confusion.

This was the third walk for Karen Wrublevski. Joyce Zboyan takes the title as the oldest female participant, tied with just one male runner as oldest participant that day.

Congratulations to all!
